

2023-2024 Trail Blazer Scholarship Program

The Omaha Trail Blazer Scholarship is a community scholarship program that will award a \$1,000 scholarship to a high school senior in the city of Omaha area.

NO ESSAY REQUIRED! In lieu of an essay, candidates will be asked to conceptualize and execute a project or idea that will improve their environment/community. The award will be presented to the applicant who designs a project that will have the greatest positive impact within the Omaha area. For example, the applicant may have designed a recycling program that is run through his or her high school or started a big brother/big sister program within his or her high school sports team.

Submissions can be projects that the applicant has previously created for another cause, but execution of a NEW project is strongly preferred.

Prospective recipients will also be asked to explain their project/idea and the expected results during an interview process.
